## Project Architect

NTF Architecture are currently seeking a committed and experienced Project Architect to join our busy team working on a range of exciting projects. We are looking for someone with a strong design aesthetic that can positively contribute to our portfolio of projects and can work alongside the Directors to deliver high quality architectural outcomes. A commitment to sustainability is a must and experience across a range of sectors an advantage.

### About you\_

- You enjoy the process of putting buildings together – the collaboration, the coordination and the detail.
- You have excellent organisation & communication skills.
- You have the ability to work autonomously or as part of a team.
- You have Tertiary qualifications in Architecture.
- You have a good knowledge of Australian standards and regulations.
- You have strong skills in Archicad and preferably Twin motion and Adobe Suite.
- You are legally able to work in Australia.
- You do not need to be registered.
- Most importantly, you have a sense of humour and enjoy life beyond architecture.

If you are looking for a great office environment, in a great location, have a passion for producing well designed, efficient, sustainable architecture and believe that you can make a difference to our business, forward your resume with a brief application letter that will convince us as to why you are the one to: [melb@ntfarchitecture.com.au](mailto:melb@ntfarchitecture.com.au).

Only shortlisted applicants will be contacted.
