National
Architecture
Awards

“Hi we’re ACME Architects and you’re watching the National Architecture Awards!”

Record a video message that we can play back during the awards live stream on 5 November

We’re collecting video messages from members to include in the awards live stream! Show your practice off to the awards stream audience.

This is open to all members, not just those who’ve entered into the awards.

They’re small, self-recorded videos featuring practices or individuals (in real life or via Zoom) smiling, waving and simply saying:

“Hi we’re {practice name} and you’re watching the National Architecture Awards!”

Keep to the script, but make it your own: get creative, whether with your location, or the way you deliver the line.

Record using a smart phone

- Use a smart phone or a camera if available
- Make sure you can be heard
- LANDSCAPE orientation not Portrait
- Keep it short
- Don’t use music
