

OUR PRACTICE

We are a young, multi-disciplined design practice which has successfully delivered a wide range of innovative architectural and interiors projects in residential, commercial, seniors living, master-planning and hospitality.

Our ethos combines functional, efficient planning with quality, timeless architecture. We are committed to creating buildings and spaces that meet objectives of the project brief and adhere to the highest architectural and interior design standards.

We have recently won a number of design competitions and currently looking for multiple talented architects to work alongside the Principal to expand this dynamic business interstate.

Our practice has a very strong presence in the multi-unit residential sector, like-minded creative people would be a great fit.

ABOUT THE ROLE

Your role will include:

- Work autonomously within a team environment
- Client liaising
- Deliver multiple projects from inception to completion
- Commercial acumen
- Assisting Team Leader on project delivery
- Opportunities for career advancement within our growing practice

Skills & Experience you will need:

- Strong design passion and focus
- Postgraduate local experience in multi-unit residential flat buildings and complex projects
- Experience in delivering Construction Certificate and Construction Documentation packages
