project architect

practice description

Leeton Pointon Architects + Interiors are a small design based studio with a focus on high-end residential work.

position description

We are seeking a Project / registered architect (6 yrs+ experience) to work on a range of exciting new residential projects from our design based studio in St Kilda.

The ideal candidate will have extensive documentation & contract administration experience with solid construction and detailing knowledge.

Proficiency in Vectorworks essential.

Highly organised with great communication skills this enthusiast all rounder should have the ability to work autonomously and within a team. A great opportunity to be involved in all aspects of a small, collaborative award winning studio.

Remuneration commensurate with experience.

how to apply

Please email a CV and profile to michael@leetonpointon.com with 'Project Architect' in the subject.
