

## **Project Architect and Documenter / Experienced Graduate**

Studio B is an exciting architects firm of dedicated people carrying out medium to large original projects for schools and church communities. If you really enjoy architecture, this is the place to work.

### **Positions Available**

Studio B seeks to appoint 2 additional members of its growing, design focused practice to join the team working on a range of great projects including a recent competition win.

Candidates should:

- Be passionate about architectural quality
- Be keen to contribute to an enthusiastic team
- Be skilled in the use of Revit and other software
- Be willing to both learn and contribute, working alongside experienced architects.
- Embrace working to deadlines
- Have an enthusiasm for sustainable design
- Be respectful and supportive towards all our clients
- Be keen to embrace the practice's values of Relationship, Purpose, Potential and Tenacity
- Have an understanding of the National Construction Code and Australian Standards
- Be legally able to work and reside in Australia

Studio B offers:

- A skilful, dedicated, friendly and enthusiastic professional team of colleagues
- A spacious open plan design studio in the award-winning Sacred Heart Building located in the landscaped grounds of Abbotsford Convent.
- A respectful and collaborative culture
- The opportunity to work with our great clients
- A place to grow and develop your skills
- A culture of enthusiasm for architecture
- A salary commensurate with your skill and experience

Job Description

- To work with other architects in the practice, or in the case of documenter, supporting architect's work.
- To maintain the design integrity of projects
- To create documentation in order to deliver projects at all design stages through to construction efficiently
- To coordinate consultants, liaise with authorities and stakeholders, engage with suppliers and respond to contractors.
- To apply an understanding of building construction
- To be willing to learn.

Applications

If you feel that this role is for you, please email your CV and illustrated portfolio of selected projects together with a statement about how you would contribute to Studio B to [fred@studiob.net.au](mailto:fred@studiob.net.au)
