

Registered Architects / Graduates of Architecture

B.E Architecture is an award-winning residential architecture studio with notable architectural projects in Melbourne, Sydney and Queensland.

Our office in Cremorne is light filled and close to public transport and great cafés.

Due to sustained business growth we are looking for exceptional Architects with

'Must Haves':

- great Revit skills
- keen eye for design
- attention to detail
- sense of humour
- passionate about design and dedicated to delivering projects of the highest standard.

We are a small, friendly, supportive and creative team and offer a great working environment. We are committed to the teaching and sharing of knowledge within the office.

We are looking for people with:

Attributes

- self-motivated person with a willingness to learn and adapt
- ability to manage multiple tasks
- dedication to work within a team to achieve a great outcome
- wants to grow and learn.

Skills and Experience

- excellent drawing skills
- good team player
- 4 - 5 years post graduation experience
- broad knowledge of how to put buildings together
- high level of skill using Revit
- experience in residential construction in Australia
- broad knowledge of both the Planning Scheme and BCA.

Remuneration will be commensurate with experience and skills.

Interested candidates, please forward your CV together with a folio of design work to jon.b@bearchitecture.com
