

#HANDSOFFANZACHALL CAMPAIGN – SUPPORTER STORY

In 2016, four generations of my family spent the afternoon wandering around Anzac Hall. My 84-yr-old Nanna, my mum, my sons and I created memories we will never be able to replicate. Every time the boys and I have returned to the War Memorial since, I am reminded of that special time together. Anzac Hall holds important memories for me. #handsoffAnzacHall #saveAnzacHall #protectourheritage #architecture
