Experienced Graduate or Registered Architect

Employer: Splinter Society Architecture

Position Title: Graduate of Architecture or Registered Architect (VIC) with a minimum of 5 years experience.

Commences: ASAP

Employment Basis: Full Time

Remuneration: To be negotiated and in line with experience and current market rates

Location: Fitzroy, Melbourne

The position:

Splinter Society Architecture is seeking an experienced Graduate of Architecture and/or a Registered Architect (5 years minimum) to join our small Fitzroy based team.

About us:

Our current work includes residential, multi-res, hospitality, wellness/tourism and other interior fit-out work. www.splintersociety.com. Whilst relaxed and friendly, our office is professional and dedicated to producing very creative and individualised work for our clients.

Requirements:

This full time position is available to an individual who is independent, organised, able to manage workloads to meet deadlines and clients needs, and who can contribute to the professional and social goals and values of the office.

The position requires a minimum of 5 years office experience in Australia, in multi-residential or residential work.

Applicants must be proficient in Autocad, Adobe Suite, Sketchup and Microsoft Office

The successful applicant will be working a small team on residential, multi-res and tourism projects, under the guidance of Splinter Society Directors, and will be liaising directly with other consultants and clients.

We are looking to employ an applicant who is both qualified, and considers this as a longer term career move.

All applicants must be eligible to work in Australia with all visas in place prior to application.

Application procedures:

Please e-mail your CV, portfolio and contact details to Asha Nicholas.
