

Susi Leeton Architects + Interior Designers

Senior Project Architect (work remotely)

We are looking for an enthusiastic, efficient and experienced Architect to be part of our team. We create high-end houses in and around Melbourne for great clients. We are seeking someone who is passionate about details, finishes and innovative form.

Extensive experience in preparing Construction Documentation and Contract Administration and running projects is crucial, as is excellent client and builder liaison skills. You must be highly proficient in Construction technique and details, ideally using Sketchup, AutoCAD, ArchiCAD and Revit.

The position is available to work remotely, meeting up regularly for meetings and site visits.

Please email your application to susi@susileeton.com.au
