

Mid-Level - Graduate Architect

We are currently seeking an enthusiastic and talented Mid-level – Graduate Architect to join our dynamic team, assisting to deliver a variety of projects including luxury residential, townhouses and boutique apartment developments. Holding tertiary qualifications in architecture, you will possess the confidence and ability to make an active contribution to TWA's projects, working with the team to produce high quality design outcomes to achieve the client's intended brief.

You **MUST** have a minimum of 5 years' experience, be an excellent communicator both written and verbal, able to demonstrate experience in all aspects of the design delivery service, and be flexible, adaptable and responsive to challenging situations.

The successful candidate would need to possess the following attributes with the ability to work confidently and autonomously.

- Experience in residential design and documentation across all stages from town planning to documentation;
- A proactive and positive attitude;
- Sound time management skills;
- Excellent communication and presentation skills, with an ability to clearly articulate concepts and potential project solutions; and
- A fun, hard-working and passionate personality who is excited about the opportunity to grow within a dynamic, successful team.

You will also possess excellent design software skills in the following packages with the ability to work confidently and autonomously:

- Revit
- AutoCAD 2D
- SketchUp / Enscape
- Photoshop/InDesign

We offer a friendly working environment with the opportunity to prove your talents, develop your skills and become an integral part of the business.

Please submit your CV, folio work and a covering letter addressing the above criteria to admin@traviswalton.com.au. We look forward to hearing from you!
