

Project Architect: High End Residential

Our design studio is seeking a Project Architect to join our dynamic residential design team. This is a creative hands-on role leading a small team of designers in producing all aspects of high-end residential architecture from concept design and town planning, through to construction documentation and onsite contract administration.

Our current projects include:

- High-end Single residences: \$5-10 million budget
- Residential renovations: \$1-3 million budget
- Townhouses – Dual Occupancy: \$5-10 million budget
- Boutique Developments (2-3 storeys)

The successful candidate must have proven experience working in residential architecture and possess strong leadership qualities with the ability to collaborate in a team environment. The role provides the opportunity to take ownership of your projects and drive high quality design outcomes for our amazing clients. Remuneration will be based on experience and skill set.

Duties and Responsibilities:

- Develop architectural concepts in accordance with client brief.
- Possess sound knowledge of the Victorian Planning Scheme to deliver town planning submissions.
- Collaborate in a team environment across Architecture and Interior Design.
- Possess the ability to resolve design issues
- Manage the coordination of design documentation of external consultant packages (structural and services)
- Possess NCC and Australian Standards knowledge
- AIA registered architect (preferred)

The successful candidate needs to demonstrate design skills with the ability to work confidently and autonomously in:

- Revit
- AutoCAD 2D
- SketchUp / Enscape
- Photoshop/InDesign

You must have a minimum of 5-7 years post graduate experience, be an excellent communicator both written and verbal, able to demonstrate experience in all aspects of the design delivery, and be flexible, adaptable and responsive to challenging situations.

We offer a friendly working environment with the opportunity to prove your talents, develop your skills and become an integral part of the business.

Please submit your CV, folio work and a covering letter addressing the above criteria to admin@traviswalton.com.au. We look forward to hearing from you!
