

Senior Architect

- Respected Practice with unique projects
- Studio environment in a growing practice
- Experienced, creative candidates to apply

B.E Architecture is an award winning residential architecture studio with notable architectural projects in Melbourne, Sydney and Gold Coast.

Due to sustained growth we require the services of a Senior Architect who has solid experience designing and building high-end residential buildings, managing projects and leading a team. We are looking for a candidate who is intending to make a long-term career move.

Key Responsibilities

- Run a small team of 4 like an independent office and deliver multiple projects
- Report directly to directors about budget and program of projects
- Manage and develop relationships with clients, builders and suppliers
- Involved in setting design direction of projects and be able to communicate direction to both team members and clients. Be responsible for maintaining design quality of projects.

Key Attributes

- Self-motivated professional who takes ownership and responsibility for outcomes
- Minimum of 10 - 15 years experience
- Well-presented and have a sense of style. Needs to be creative and have proven design skills
- Understands the importance of design and has an understanding of the importance of interiors and furniture
- Highly organised with good communication and presentation skills and friendly positive attitude
- High level knowledge of all levels of residential architecture.

Skills and Experience Required

- Proven technical and design expertise in the high end residential sector
- Comprehensive knowledge of both the Planning Scheme and BCA
- Experienced in developing and maintaining sound relationships with clients
- First-rate skills in scheduling, programming and reporting on projects
- Experienced in leading, and managing a small team
- Good hand drawing and presentation skills
- Registration with Architects Registration Board of Victoria.

Remuneration will be commensurate with experience and skills.

Interested candidates, please forward your CV together with a folio of design and documentation work to jon.b@bearchitecture.com
