

We are Hiring. Project Architect

Kirby Architects is growing and we have an opportunity for a Registered Architect to join our practice in Malvern. As a B Corp certified practice, we value creativity and sustainability. We behave ethically and with kindness.

We work on innovative, quality housing, health and community architecture. If you have impeccable technical and drawing skills in ArchiCAD and excellent contract administration knowledge and aim to be an architect who inspires others to be their best, this role is for you.

If you can put hand on heart and commit to inspiring a small team with your imagination and ability to run projects creatively, thoroughly and collaboratively, we'd love to hear from you.

Send a one-page letter and your CV/portfolio to studio@kirbyarchitects.com.au
Applications close 30 November.
