ARCHITECTURAL DRAFTSPERSONS

Wood Marsh is known for its sculptural and playful approach to form, our use of a refined material palette, and an enduring contemporary language that results in practical and unique designs. With nearly 40 years of influential history, our diverse body of work includes art galleries, wineries, private homes, multi-residential towers, and extensive urban infrastructure.

Our established mid-sized Port Melbourne studio consists of a diverse range of passionate, collaborative and capable individuals that work together as a team to deliver high-quality designs. We offer a fun studio culture that prioritises a good work/life balance, and the opportunity for professional growth and development.

Job Description:

We are looking for a committed and knowledgeable Architectural Draftsperson to join our team on a full-time ongoing basis. The role presents an opportunity to work on projects such as infrastructure and other typologies across multiple stages as described in person. Full working rights and appropriate visa required

The responsibilities of the role include but are not limited to:

- Documentation with strong technical and construction knowledge
- Attention to detail and a strong eye for design
- Proficiency in Revit
- Confident in working as part of a team on mid to large scale projects
- Knowledgeable of NCC and Australian Standards.

Program Knowledge:

Revit proficiency is essential

Number of Years of Experience

From 3 years post-graduate experience onwards
